New Bleed Kit

You may have already noticed the installation of our new bleed kit on the outside of the Village Hall, next to our defibrillator.

We are part of 20 places in Bristol that are now taking part in the pilot scheme to have these installed. Avon & Somerset Police have joined up with HeartSafe and NHS England South West, to launch a joint initiative to place Emergency Bleed Kits in local communities.

Bleed kits are specifically designed to handle 'catastrophic bleeding'. In the event of a traumatic injury, a person can lose critical amounts of blood within minutes. The public's intervention can play a crucial role in providing assistance until professional medical services arrive. Please see the link below to read more about this.

Decorating Works

Also, to continue to be able to provide you with a nice bright, vibrant and welcoming Village Hall, there will be decorating works taking place over the Christmas holiday period. The main hall will be decorated, including the flooring. Thank you to Emersons Green Town Council for the grant enabling this to happen.

Past Events

We have had a fantastic couple of months at the Village Hall with a variety of events held. Please see below and over the page for some snapshots of these.
